

# LAST STOP ON THE 2024 DELCO SOLAR TOUR

COINCIDING WITH NATIONAL SOLAR WEEK, THE DELAWARE COUNTY OFFICE OF SUSTAINABILITY AND SOLARIZE DELCO ARE PARTNERING TO PRESENT THE DELCO SOLAR TOUR!

The Delco Solar Tour offered the opportunity for community members to visit physical locations which have implemented solar through October 13 to learn about the process, cost and benefits while engaging with neighbors who made the switch. You still have time for the last stop!

**Monday, October 28th, 7 pm**

This last tour stop will be on zoom and includes a brief presentation about solar, a brief viewing of the installations visited, and a robust opportunity for questions and answers with your solar neighbors!
